

Dear WEEELABEX OPERATOR,

*Driven by its vision, market demand and future EU administrative requirements, The WEEELABEX Organisation has fully implemented the WEEELABEX Certification scheme “Operators no.: EUro B1601”. Certification scheme EUro B1601 consists of the published and implemented CENELEC requirements and the “Extra WEEELABEX requirements” as clearly defined in the B04 WEEELABEX guidance document.*

*Each stream is subject to specific standards requirements in our accredited scheme, please see the pro-link in detail:*

<http://www.cai.cz/Download.ashx?Type=Appendix&ID=13855>

*On top of that, the implementation process is defined in the document C 07 WEEELABEX to CENELEC transition process available on our web as well.*
